ABOUT THE COURSE

Join us for this dynamic 2-day training seminar on death scene investigations. Through the use of case studies and the best selling "***Death Scene Investigation Procedural Guide***" the author will take you through the protocols, procedures, and processes that are used in death investigations today. Perfect for the new detective, death investigator, crime scene investigator or supervisor. A very effective refresher and introduction to new techniques for the experienced investigator. Seminar tuition includes a copy of "***Death Scene Investigation Procedural Guide***" (CRC Press). **PREREQUISITE:** None.

ABOUT THE INSTRUCTOR

Michael Maloney is a United States Marine Corps veteran who retired with over 25 years of experience in Federal and local law enforcement. Serving as a Deputy Sheriff in Tom Green County (TX), a Police Officer in Bellingham (WA) before becoming a Naval Criminal Investigative Service (NCIS) Special Agent, Michael finished his career as a Senior Instructor at the Federal Law Enforcement Training Center (FLETC) at Glynco, GA. He has a Master of Forensic Science Degree from George Washington University, and served a Fellowship in Forensic Medicine at the Armed Forces Institute of Forensic Pathology. Michael is a recognized expert in death scene investigations, crime scene investigation, shooting incident reconstruction, bloodstain pattern analysis, and forensic reconstruction. He has taught or worked cases throughout the

United States and around the world. His expert testimony, reports and analysis have been used in a wide variety of local, state and federal judicial venues, including the International War Crimes Tribunal at The Hague. Michael is the author of the *Death Scene Investigation Procedural Guide* and the *Crime Scene Investigation Procedural Guide* from CRC Press.
