ABOUT THE COURSE

This is a hands-on course designed to teach the forensic investigation and reconstruction of shooting incidents. Live-fire demonstrations will be utilized to illustrate the physical characteristics and dynamics of bullet impacts on metal, glass and other common substrates. Mock crime scene assignments and exercises will be used to challenge each student and help prepare them for any situation they may encounter as a crime scene specialist, criminal investigator, death investigator, or forensic scientist involved in shooting scene investigations. **PREREQUISITES:** None.

ABOUT THE INSTRUCTORS

Sheriff Rudy Flores started his career in 1982, serving as a deputy sheriff and police officer before joining the Texas Department of Public Safety, where he served as a Trooper, Sergeant and Texas Ranger. He holds a Bachelor of Science degree and is a graduate of the Leadership Command College at Sam Houston State University. He retired in 2015 and worked as a professional trainer and consultant. Rudy was elected Sheriff of Anderson County in 2021. He is currently serving his second term.

Chief Nick Webb retired in 2010 with 20+ years of service in municipal law enforcement. He holds an Associates of Science degree and is a graduate of the FBI National Academy. After retirement, he served as a criminal investigator at the Henderson County (Texas) Sheriff's Office (2010-2015) and as Chief Deputy of the Anderson County Sheriff's Office from (2021-2024). He is now a rancher and professional trainer.
